

# Team Ortho School Shuttle Service!

- The shuttle operates during our morning office hours and early afternoon. Available times will vary.
- A release is required to be signed by the patient's parent/guardian.
- Please make sure your school policies are followed regarding your child leaving school during school hours. **Most schools will not release students during standardized testing.**
- It is important that your child be ready for pick-up in the school office 15 to 20 minutes before the appointment time. Please make sure you notify the school prior to the appointment.
- One of our Team members will sign your child in/out, however, the school needs to be informed of the date and time Team Orthodontics will be picking up your child.
- "Team Orthodontics and/or It's Representative" must be on the "pick-up" list on file at the school.

*It is important that these requirements are met prior to the appointment. If you have any questions at any time, please feel free to contact our office at (480) 759-3333.*
